Congratulations to our Mentoring Program Participants!

As the inaugural IIBA Chicagoland Chapter Mentoring program comes to a close, the chapter would like to congratulate the participants. Eight Mentor-Mentee pairs came together in October in a learning and development partnership between someone with vast experience and someone who wants to learn. Special thanks go to our Mentors for taking time out to help their partners realize their potential and advance their career goals.

Our next chapter sponsored mentorship program will kick off later this Spring. If you would like to participate as a mentor or mentee, please e-mail membership@chicago.iiba.org.
